

The NEW and easy way to manage your account

Manage account balance

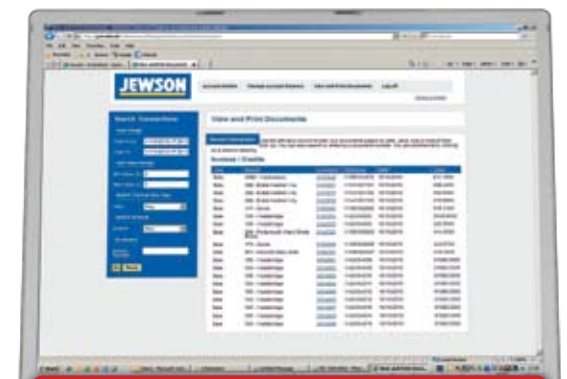

Thanks to our **NEW** online account management and trading service, doing business with Jewson has never been easier – giving you more time to focus on the job in hand.

Online account management benefits

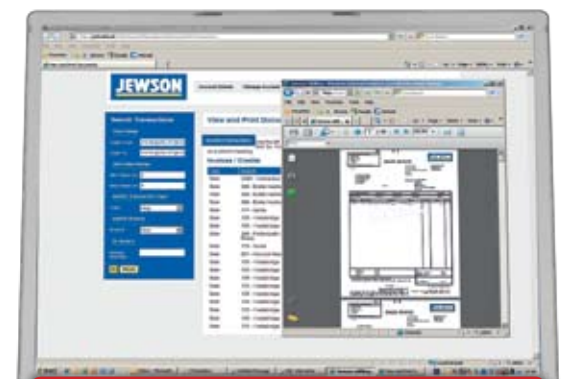

- Review your order history
- Update your details quickly and easily
- Check your current account balance
- View and print documents, including invoices
- Review your credit limit

Rest assured, managing your account online is completely secure. We'll send your password to the registered address for your account.

Visit www.jewson.co.uk to activate your new web account. We look forward to welcoming you to our all **NEW** online service.
